

COLLEGE OF DIETITIANS OF BRITISH COLUMBIA

Inquiry Case #20-46 - Complaint Outcome Report

On **March 17, 2021**, the registrant concerned by the complaint contacted the College to report that they had forgotten to register with Restricted Activity A (design, compound or dispense enteral nutrition) since registering with the CDBC as a Full registrant.

On **March 22, 2021**, the registrant registered with Restricted Activities A and C (design, compound or dispense, and administration of enteral nutrition) and was advised that the Inquiry Committee would be informed of the matter.

On **April 12, 2021**, the Inquiry Committee met to review and discuss College correspondence with the registrant, the registrant's response and corrective actions. The Inquiry Committee determined that the registrant had breached section 5 of the *Health Professions Act's* Dietitians Regulation and CDBC bylaws' section 45, regarding the practice of a restricted activity while not registered to do so between April 21, 2020 and March 21, 2021, and that the risk of harm was low.

The registrant was informed of the decision on **May 11, 2021**, and consented to an undertaking pursuant to sections 33(6)(c) and 36(1)(a) of the *Health Professions Act* in which the registrant agreed to not repeat practicing restricted activities without being registered to do so.

A copy of the signed undertaking is saved in the registrant's file permanently, in accordance with section 69 of the CDBC bylaws.

26 days were required to resolve the case.
